I. Trip Reports

1) Wedding, Squamish-Cheakamus Divide and North Joffre Horseshoe
Scott Nelson and Sandra Nicol succeeded in getting married in beautiful weather in the Callaghan Valley. Congratulations! Their report also includes a few ski traverses they did afterwards.

II. Upcoming Events and Trips

1) Sea to Sky LRMP Open House, Apr. 24
The S2S LRMP has been released by the government. The winter recreation part isn't done yet however. Nevertheless there is an open house in North Vancouver tomorrow (Thursday) night where information on the plan will be presented. Since the government finally scheduled one of these meetings in the Lower Mainland (usually they are in Squamish, Whistler, or Pemberton) we should go and voice our opinions... especially since the winter recreation portion is still being decided.
