I. Upcoming Events and Trips

- 1) Workhike - Brian Waddington Hut Renos June 13-14

As you may have heard the first round of renovations on the Brian Waddington Hut was postponed until June. Well, this is the trip!

There were a few reasons for the postponement... one being that the cold, wet spring resulted in the snow lasting longer than originally thought. The main reason, however, was that there weren't many "new" people signed up for the trip - and this trip is a great opportunity for people new to the club.

So, that said, check the wiki for details and signup.

- 2) Ultimate Frisbee - Wednesdays

A number of VOCers play informal Ultimate games on Wednesday evenings once the spring semester ends and there are no more slide shows. Everyone is welcome, including complete beginners.

Check the wiki for full details including where to go for post game victory beers.
