I. Upcoming Events and Trips

- 1) Tantalus - August 1st - 3rd

The Tantalus Range is those pretty mountains you see off the highway between Squamish & Whistler. This will be a three day trip with 1200m elevation gain with packs on day 1 (some might consider that a long day).

- 2) Brian Waddington Hut Renos - Round 2 - August 1st - 3rd

Like the last renos this trip will be a great opportunity for new people in the club to have a good time in a beautiful setting. Not only will you get a chance to get into the mountains and scramble some peaks, you'll feel good having contributed to the maintenance of your hut. It is your hut, afterall, since if you're reading this you're a member of the VOC.
