Ms. Manners

Hey Ms. Manners,

I enjoy partying and only recently got into visiting backcountry huts. How can I be belligerent in the out of doors and continue to make an ass of myself?

Cheers,

Partier

Dear Partier,

From time to time I will have a small flask of Whiskey or scotch in my pack (remember beer and wine can freeze). On special occasions, a trip to Brew Hut for Feuerzangebowle is even necessary. That being said, I do have a few suggestions for getting rowdy in huts (and getting yourself kicked out into the snow):

- \* Wake people up and offer them shots.
- \* Throw up on other people and their gear.
- \* Tune the hut guitar until early in the morning while singing out of key

A final word: this holiday season, let's provide a pleasant hut experience for everyone.

Cheers,

Ms. Manners
